

## October 2005 Newsletter

Thank you for your support of our recent fundraising efforts. The Pizza Sale went well, although a few customers were unable to pick-up their orders. They will be available for pick-up at the concession stand at our next home football game, scheduled for Saturday, November 5. Our first Market Day Sale went well, also, but we are hoping for more customers in order to make this fundraiser successful. If you haven't already tried Market Day, please give it a try. Yankee Candles are scheduled for shipment in December. However, from past experience, we may receive the order in November. We will keep you posted on actual arrival of the candles for pick-up. We sold out our initial supply of Wawa shortie hoagie coupons, (yea!), but expect to receive a new supply of coupons around the First of November, at which time all outstanding orders will be filled. Please consider a few for Holiday gift giving, stocking stuffers, and well, just to have on hand.

Now our primary fundraiser, the Fruit Sale, is now underway. Enclosed with this letter is the order form for fruit, hoagies and potpies. Please share this sale with your family and friends and note the last day to order is 6:00 p.m. Sunday, November 6th. This sale has been a Music Boosters Tradition for many years, and we hope for many more. We have added a couple new selections this year which include smaller, gift-package quantity. This will make a great gift package for the upcoming holidays and provide smaller households with a selection of fruit that does not have to be purchased in larger quantities. In conjunction with the sale, we need adult and student volunteers to help unload the truck and organize the fruit on Friday, November 18, at 5:30 p.m. Sale assistants to help fill orders on pick-up day, Saturday, November 19 are also needed. Please consider donating some of your time to this worthwhile cause.

Also enclosed is the November Market Day Sale. Orders should be returned to school by Wednesday, November 2nd, or e-mailed by Friday, noon, November 4th. Pick-up will be Thursday, November 10th, West Wing Lobby — 7:30 to 8:30. Instructions are on the last page of the order form.

The next meeting of the Boosters is scheduled Tuesday, November 8th. Please come to the meetings to share your ideas, suggestions and let us know how you may be able to help make the Music Boosters a more successful, supportive and thriving organization.
